

# ALASKA MOTORHOME RENTALS

## Standard RV

Standard RV is perfect for a party of 2 to 4 (21-24 feet)

The all new Sunseeker by Forest River boasts a large variety of floor plans to suit your family's individual needs. The standard features include 7' ceilings, large amounts of storage, a low maintenance fiberglass roof and newly redesigned furniture that is comfortable, durable and great looking.

Motorhome sizes are determined by exterior length. The floor plan illustration shown here is a sample of the day and night configuration. The actual floor plan in your vehicle may be different from those illustrated above.
